Test Engineer with an ISTQB certificate, driven by curiosity, independence, and a strong can-do attitude. I actively develop my skills in Java and Python, with strong motivation to advance into automation, as I see how much it improves testing and efficiency. Beyond technology, I recently achieved a personal milestone by running my first marathon, a challenge that reflects my persistence and discipline both in life and at work.

Experience

Samsung Electronics Poland - Test Engineer

05.2023 – present

- Developing a flashing / configuration tool for mobile devices in **Java**, later re-implemented in **Python** - significantly reducing setup time for testing teams
- Automating device setup processes with batch scripts and **shell/ADB** commands, streamlining repetitive tasks and ensuring consistent test environments
- Working daily in a Linux terminal environment, building scripts, parsing logs, and debugging connectivity issues
- Creating structured bug reports in **Jira** and collaborating on test documentation in **Confluence** to support clear communication between developers and testers
- Tracking and analyzing test progress and coverage using **qTest**
- Performing functional and performance testing of LTE/5G, Wi-Fi, and Bluetooth connectivity across Europe in both lab and field conditions

Tech: Java (OOP, IntelliJ IDEA), Python (scripting, automation), Linux (shell, bash), Android (adb, fastboot), Git, SQL, VS Code, Jira, qTest

Lionbridge Poland - Manual Tester

08.2022 – 04.2023

- Creating bug reports in a clear and concise manner in Azure DevOps
- Using extensively Query feature (SQL like) in Azure DevOps
- Providing feedback to game developers with quality improvement suggestions

Kraty Mostostal Kraków - Trade advisor

11.2019 – 08.2022

- Oversaw orders end-to-end, connecting with accounting, transport, and production teams

Education

Opole University of Technology (2015 – 2019)

Civil Engineering and Architecture

Courses

AI_devs 3 (05 – 06.2025)

Autonomous Agents and Generative AI Course

Samsung Internal Trainings

Java / Python / SQL

Sii Java Training (04 – 06.2022)

Java Developer course

ISTQB (04.2023)

Certified Tester Foundation Level

I agree to the processing of personal data provided in this document for realising the recruitment process pursuant to the Personal Data Protection Act of 10 May 2018 (Journal of Laws 2018, item 1000) and in agreement with Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data and repealing Directive 95/46/EC (General Data Protection Regulation).
